

from 10th May

Holmes Chapel Health Centre NON-NHS FEES 2026

The majority of work we undertake is funded through the NHS and is provided free of charge.
However, we also offer a number of non-NHS services which incur a fee.

PLEASE NOTE – pre-payment of fees is required in **all** cases by cash or card only. If a patient fails to attend for a private appointment or medical, a cancellation fee of 50% for the service requested is charged. If any reports or information are required in less than 48 hours from request, additional charges may be applied
